Notes: Horse does not appear malnourished. Has a large pasture with grass and hay. Has a special feed and is fed 2x/day. Has tank for water. Horse is Sarge, same horse previous calls were regarding. Owner adv horse is old.

Owner is upset regarding multiple calls. Believes the caller is their neighbor. Comp advised that they used to provide water to comp for their livestock. When they discovered they were using water for other purposes, comp stopped helping them provide water to the neighbor. Comp believes that is what started the repeated animal cruelty calls.

Complaint appears to be unfounded. [04/29/25 14:24:13 Unit:1331]
